

VCE Edrolo Resource Information & Instructions

VCE Edrolo Student Resource

Edrolo is an online resource that provides interactive videos and exam questions for Year 11 and 12 students. It was included in the Kolbe Catholic Colleges 2025 Learning Resource Catalogue as a required resource for some of our Year 11 and 12 VCE subjects.

Our school will use Edrolo as a teaching and learning tool to further enhance what is covered in class. Our teachers will use Edrolo for:

- prescribed holiday homework
- pre-class work
- post-class consolidation
- assessment preparation and exam revision
- student self-study
- student feedback

Some subjects have also listed the Edrolo textbook as a learning resource. It is available in hardcopy and online versions.

The combination of these resources will vary from subject to subject. Some will have just the online resources, whilst others may require online resources along with the hardcopy textbook.
